

Amelia Police Department Safer Seniors Program

The Amelia Police Department has partnered with the Amelia Senior Support Commission to assist in enhancing the quality of life for our senior residents. The Amelia Police Department has started a new program called “Safer Seniors”.

This program is designed to help the police department assist our seniors in an emergency situation and to offer them information on topics concerning them today, such as Crime Prevention for Seniors. Safer Seniors will offer visits by phone or in-home from Amelia Police Officers thus increasing personal contact and communications. It will also help the Amelia Police Department provide emergency medical information to the fire department emergency services.

We at the Amelia Police Department are excited about our Safer Seniors program and hope you consider it as a way to help us help you. If you would like to join Safer Seniors or sign up a senior family member please contact the Amelia Police Department for more information at 753-4747. We will be happy to answer any questions or deliver a Safer Seniors form to you. You can also down load the application form by clicking below. Once the form is completed either mail it in or call the office at 753-4747 and we will have an officer pick it up. Forms may also be dropped off at the Amelia Municipal building located at 44 West Main Street Amelia, Ohio.
